1 SHORT COURSE Challenge (4.79km)
Sacramento Nature Reserve**

NOTICE: There was a technical glitch with our timing system which caused us to lose all of our Short Course finishing times but our back up timing still got your finish line positions. If you were wearing a running watch of some sort and have your finishing time please could you send it through to info@wildrunner.co.za with the subject "PEWTS Race 1 Short Course Time," and we will add in your running time accordingly. If you don't have a time, we will estimate according to the times above and below you that we receive.
